To Whom It May Concern,

This is to certify that NTAMUTURANO Celestin, holder of National ID Number 1198980132324253 and telephone number +250 788 316 132, has provided professional services to Mother Mary International School Complex Ltd (MMISC) from 2023 to the present in the capacity of Business Analyst Consultancy. He demonstrated professionalism, commitment, analytical capability, and excellent performance in carrying out his responsibilities. His work contributed significantly to the organization's operational and modernization activities.

His main scope of services and responsibilities has included:

- Gathering, analyzing, validating, and documenting business and functional requirements for assigned institutional modernization and process improvement initiatives.
- Analyzing and documenting business processes relating to budgeting, accounting, expenditure management, revenue management, financial reporting, procurement, and other administrative functions.
- Mapping existing business processes and identifying opportunities for improvement, efficiency, control, and better utilization of information systems.
- Developing functional specifications, process flows, use cases, business rules, user stories, and acceptance criteria to support system and process improvements.
- Supporting the review and improvement of financial and administrative processes to enhance accuracy, accountability, efficiency, transparency, and management reporting.
- Supporting system testing, functional verification, user acceptance testing (UAT), and validation of implemented system and process changes.
- Assisting in the identification and analysis of business and functional gaps between existing processes and desired future-state processes.
- Supporting management in the analysis of operational and financial information to facilitate informed decision-making and effective institutional planning.
- Working closely with senior management, finance personnel, administrative teams, and other relevant stakeholders while taking responsibility for assigned business analysis and functional tasks.

Throughout his engagement, Mr. NTAMUTURANO Celestin has performed his responsibilities diligently and to our satisfaction, demonstrating strong analytical, documentation, communication, problem-solving and stakeholder engagement skills.

We wish him continued success in his professional career and future engagements.

Sincerely,

KWIZERA Ayub, TEL: +250 788 634 245
